ABOUT ME

I have been a member of FLTC since I began playing tennis in the summer of 2014. Previously I played rugby for the Fylde and Fleetwood clubs and I make my living as a taxi-driver.

I believe strongly in sport for all.

If you witness or experience anything which makes you feel uncomfortable, please do not hesitate to get in touch with me.

ABOUT ME

I've recently returned to the area after a number of years, living in the Midlands and North West London, where I worked in Schools.

I love playing tennis and all the benefits playing sport gives you. I also enjoy being a tennis supporter, visiting various venues here and abroad. I firmly believe that everybody deserves the opportunity to play sport in a safe environment, so that they can thrive and reach their full potential.
