ABOUT ME

I've recently returned to the area after a number of years living in the Midlands and North West London, where I worked in Schools.

I love playing tennis and all the benefits playing sport gives you. I also enjoy being a tennis supporter, visiting various venues here and abroad. I firmly believe that everybody deserves the opportunity to play sport in a safe environment, so that they can thrive and reach their full potential.

If you have a safeguarding concern, please contact me. You can also report a concern directly on the LTA website.
